BACKGROUND

The Village of Scarsdale Ad-Hoc Committee on Communications has developed a short survey to gain insights into how satisfied you are with any official local government information you receive, the communication channels through which you receive official news and information, and how the Village of Scarsdale could improve its resident communications.

Please help us to advocate precisely for what you need by completing the survey **today!**

SURVEY DEADLINE

Please complete your survey no later than July, 01, 2017:
