September 13, 2017

### Popham Road Closure: Lockwood Road to School Lane

Please note that Popham Road will be closed in both directions all day on Saturday, September 16, 2017, to facilitate necessary Con Ed construction work in the public right-of-way. Their work involves upgrading gas infrastructure to support Scarsdale's current and future supply needs.

The closure may continue into Sunday, as conditions warrant. The traffic and signage plan is depicted below:

As added background, Con Ed has been working on a public right-of-way project on Popham Road between Lockwood and School Lane in recent days. Their work has resulted in single-lane closures and related detours around the work site, though traffic has continued to flow reasonably well through this heavily traveled corridor. Similar work will continue up until the road closure this weekend, as well as for the next few weeks, as needed. Additional public notification will be provided when the roadway restoration work is planned to start.
