Farmers Market Continues Through November 16th

The Village of Scarsdale is pleased to announce the extension of the Pop-Up Farmers Market through November 16, 2017. The Farmers Market is held on Thursdays from 12pm to 7pm at Boniface Circle across from Chase Park.

Have you had an opportunity to visit the Market? If your answer is no, then it is time to come, enjoy, shop, and explore its offerings. At the Market you will find locally sourced produce, handmade gifts and crafts, breads, dairy, and baked goods. Need your knife sharpened in time for the holiday season? You can do that too, all while listening to jazz vocalist Alexis Cole. The Market is a place where the community convenes and connects while purchasing locally sourced goods. Thank you to all who have visited and continue to support this community effort.

The Market was unveiled on September 7, 2017, and scheduled to conclude on October 26, 2017. Due to the popularity of the Farmers Market among residents and visitors alike, and the vendors' enthusiasm to serve the community, the Village has agreed to continue the Market.

Corinna Makris, President and CEO of Village Green Markets who serves as Scarsdale's Farmers Market Manager, has done an exceptional job creating an enjoyable environment that meets the needs of the community.

The Village continues to work with the community to create a welcoming Village Center where visitors can enjoy their shopping experience.

Please take the Farmers Market Survey <https://www.surveymonkey.com/r/scarsdalefarmersmarket> so we may continue to meet the needs of the community.
