

Village of Scarsdale
ENGINEERING & BUILDING DEPARTMENT
COORDINATING OFFICE
(914-722-1140)

Information for All Applicants:

June 20, 2005

Please be advised that effective June 21, 2005 new application forms will be used.

In an effort to facilitate both the filling out and processing of building permit applications, board of architectural review applications, planning board applications, and zoning board of appeals applications, the existing multi-use permit has been replaced with (4) separate applications:

- Board of Architectural Review (BAR) application and Building Permit Form
- Building Permit Application (where BAR not required)
- Zoning Board of Appeals Application
- Planning Board Application

In addition to creating separate applications in lieu of the multi-use application, two new applications have been created.

- Application for an Amendment to Existing Permit (Building & Stormwater Permits)
- Application for Zoning Determination

PLEASE BE ADVISED THAT INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. IF THE CONTRACTOR IS YET TO BE DETERMINED PLEASE STATE ON THE APPLICATION.

PLEASE NOTE THAT ALL NEW AND REVISED APPLICATIONS FOR BUILDING PERMITS, ZONING BOARD, PLANNING BOARD, ARCHITECTURAL REVIEW BOARD, AND STORMWATER PERMITS, INCLUDING INFORMATION AND INSTRUCTION SHEETS WILL BE MADE AVAILABLE ON AN UPDATED WEBSITE SOMETIME IN SEPTEMBER, 2005.
