Fireside Chat . . . without the fire

Do you have a burning issue that you would like to discuss with Mayor Marc Samwick, or perhaps have a great idea to share? Well, just blaze a trail to the Girl Scout House, 37 Wayside Lane, on Wednesday, May 22, between 7:00 PM and 8:30 PM. Both Mayor Samwick and Village Manager Stephen Pappalardo will be present to engage residents in an informal conversational setting.

This opportunity is the next in a series of community listening sessions being held by Mayor Samwick in locations throughout Scarsdale on days and at times intended to maximize resident ability to access key Scarsdale officials that work diligently to support the quality of life that our residents enjoy.

These in-person chats have no pre-set agenda, apart from engaging in conversation with Scarsdale residents about their topics of interest or concern.
