Scarsdale Train Station Accident

The Village of Scarsdale has been notified of an accident involving a fatality at the Scarsdale Train Station this morning at approximately 9:15 A.M. All train service has been suspended while the accident investigation is being completed.

Because of the presence of police activity in the area and associated traffic congestion, residents are encouraged to avoid the area surrounding the Scarsdale Train Station, particularly Depot Place. While East Parkway and Popham remain open to traffic, delays should be anticipated.

Metro North rail service is anticipated to be suspended for a number of hours today. Check the [MTA Service Alerts](#) for additional rail service information as it becomes available.

MTA Police are serving as the lead investigatory agency, with Scarsdale Police providing traffic safety support.

Media contacts should be directed to the lead agency, the MTA Police at 212-878-1001.
