Information submitted in candidacy for a Board, Council, or Committee appointment should be submitted on or before March 04, 2020, in one of two ways:

1. [Online](#).
2. In-Person or by Mail: Applications are available at the Village Clerk's Office at Village Hall. Completed applications may be submitted either in-person or by regular mail to Trustee Rochelle Waldman, Scarsdale Village Hall, 1001 Post Road, Scarsdale NY 10583.

Pursuant to the general policy adopted by the Village Board, eligibility guidelines for appointment to one of Scarsdale's volunteer Boards, Councils, or Committees include the following dimensions:

1. Residency

Boards, Councils, and Committees are comprised of residents of the Village. While viewpoints and perspectives from outside the community can be sought, as needed, actions recommended or taken by Boards, Councils, and Committees should ultimately reflect the views of Village residents.

2. Professional or Business Affiliation

Various professional skills and training are required by Village law or deemed desirable by the Village Board of Trustees for the successful fulfillment of some Board, Council, or Committee charters.

3. Civic Interest and Involvement

The majority of the members of Village Boards, Councils, and Committees are appointed by reason of demonstrated interest in Village affairs, as exhibited through volunteer community involvement. Scarsdale is the beneficiary of a long history of voluntary civic endeavors. Since the overriding purpose of Boards, Councils, and Committees is to assure the continuation of high community standards, it is appropriate that appointed members be those residents who have demonstrated willingness and initiative to work in support of this objective.

4. Specialized Knowledge

Certain Boards, Councils, and Committees benefit by having one or more members with specialized knowledge. For example, the Cable Television Commission would benefit by having people with knowledge of the communications industry; the Advisory Council on People with Disabilities would benefit from the experience of residents with disabilities; and, the Advisory Council on Youth would benefit from people who have worked with young people, etc.

For detailed information on term lengths, meeting days, etc., for specific Boards, Councils, and/or Committees, please visit the [Volunteer to Serve](#) portal on [scarsdale.com](http://scarsdale.com).
