Non-essential Village Hall Meetings Canceled

In order to support county, state, and federal agencies in their efforts to reduce the spread of COVID-19 (“coronavirus”), as well as to help safeguard continuity of public health, safety, and welfare services provided by the Village of Scarsdale, all *discretionary* use of Village Hall meeting spaces is being curtailed immediately, until further notice.

Individuals or groups that have already scheduled use of Village Hall space for meetings or other forms of public use are being directly notified that all such reservations are being canceled, and no future reservations are being taken at this time.

Importantly, Village Boards and Councils with local and/or New York State statutory responsibilities will continue to meet at Village Hall according to [their respective meeting schedules](#).

Meetings of the following Village entities *are not* canceled, though public seating will be extremely limited, reflecting [social distancing guidance](#) provided by the [Centers for Disease Control](#).

Board of Architectural Review
Committee for Historic Preservation
Planning Board
Scarsdale Village Board
Zoning Board of Appeals

Questions about scheduling space for public use should be directed to the Village Manager's Office at 914-722-1111.
