### Small Business Administration Disaster Relief

The [Small Business Administration](#) has certified Westchester County, as well as some other New York counties, as eligible to receive financial assistance in the form of Economic Injury Disaster Loans due to loss of revenue or substantial economic injury in connection with COVID-19. Substantial economic injury means the business is unable to meet its obligations and to pay its ordinary and necessary operating expenses.

[SBA guidance](#) on the three step process for securing a Disaster Loan includes what assistance can be used for, loan limits, and other helpful information. The interest rate is 3.75% for small businesses and 2.75% for private non-profit organizations. The loans that SBA provides can come with long-term payment structures lasting as long as 30 years.

Applicants may apply online, receive additional disaster assistance information and download applications through the [SBA portal](#). Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov) for more information. Individuals who are deaf or hard of hearing may call (800) 877-8339.

Completed applications should be mailed to U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

The deadline to apply for an Economic Injury Disaster Loan is Dec. 16, 2020.
