March 25, 2020

Scarsdale Parks: Registration Still Open!

Camps, Tennis and Pool Permit Programs

Our popular Day Camp programs, August specialty and sport camps, and Tennis and Pool Permit programs are *still on* for 2020 – [register today!](#)

As an added inducement to register for Day Camp, we have extended Early Bird Day Camp Enrollment to May 01, 2020.

No Risk Registration

Recognizing that public health directives continue to be updated in response to COVID-19, persons registering for Parks, Recreation and Conservation Camps, programs, and activities should note that registration fees are *100% refundable* when a camp or program has not yet started and is canceled in connection with COVID-19; such a cancellation occurring after a camp or program start date results in a pro-rated refund.

Please help us plan for late spring and summer programming by [registering](#) at your earliest ability – no risk and a ton of fun!

Future Updates

The best way to receive timely updates about any changes in programming availability during the COVID-19 emergency is to monitor the Village of Scarsdale Twitter account, [@ScarsdaleGov](#). Information shared through Twitter can also be easily viewed [online](#) without a Twitter account.

We will continue to post updates on [scarsdale.com](#), as well, and through [Notify Me](#), our subscription-based notification system where one can choose email and/or text updates.

Thank you for your continued support during this difficult period, and the Scarsdale Department of Parks, Recreation and Conservation looks forward to serving your recreational needs in the near future.
