STAR Credit: Are you Eligible?

If you've recently bought your home or never applied for the [STAR](#) benefit on your current home, you may be able to save hundreds of dollars each year. The May 01 deadline applicable to most property tax exemption applications does not apply to the STAR credit.

You may qualify if:

- You own your home; and
- The home is your primary residence; and
- The combined income of all owners and the owner's spouses is \$500,000 or less.

In addition, if you're 65 or older with an income of \$88,050 or less, you may be eligible for the Enhanced STAR credit.

Register for the STAR credit [online](#) or by phone at 518-457-2036. Once registered, the [NYS Department of Taxation and Finance](#) will send you a STAR check in the mail each year. You will not need to reapply annually.

Learn more about the STAR program on the NYS [STAR Resource Center](#) web page or contact the Assessor's Office with any questions by [email](#) or phone at 914-722-1133.
