Building, Engineering, and Land Use Applications now Accepted

The Village of Scarsdale is pleased to announce that we are now accepting new applications seeking review of proposed construction and other projects needing permit authority.

In response to continuing public health-oriented restrictions imposed by the State of New York in connection with COVID-19, we have modified our application submittal and review process to maintain compliance with the applicable regulatory provisions while providing an opportunity for construction and other projects to get positioned for moving forward once [Phase I businesses](#) and others are authorized to reopen.

Application packets may either be submitted by mail or by delivery to our specially designated drop boxes at the Village Hall entrance during standard business hours of 9:00 AM and 5:00 PM, Monday through Friday (excluding holidays). Before submitting, visit the appropriate link(s) below to learn about the modified submittal and review provisions applicable to the type of review you may be seeking. We look forward to serving you.

[Building Department – Modified Application and Review Processes](#): Building, plumbing, electrical, and solar permits as well as Board of Architectural Review and Committee for Historic Preservation.

[Engineering Department – Modified Application and Review Processes](#): Stormwater and Erosion Control Permits, Tree Removal Permits, Street Opening Permits, and Sidewalk Café Permits.

[Planning Department – Modified Application and Review Processes](#): Applications to the Planning Board and/or Zoning Board of Appeals.
