2020 Tentative Assessment Roll Posted Online

The [2020 Tentative Assessment Roll](#) has been posted online, where it may be seen and inspected from June 01, 2020, through June 16, 2020.

Please also take time to review our prior press release, [2020 Tentative Assessment Roll and Grievance Process](#), for detailed information about how to schedule an appointment with our Town/Village Assessor to discuss your property assessment prior to June 12, 2020, as well to learn about requirements for submitting a grievance, should you choose to do so.

Grievance Day is June 16, 2020, and the Board of Assessment Review will hear and consider complete applications via Zoom on that date.

Please also note that our online [Property Inquiry](#) tool now contains the updated 2020 Tentative Assessment Roll information. In addition, persons wishing to review prior year assessment information may visit the [Assessment Roll Archive](#) for such historic data.
