Sanitation Services: Food Scraps and Bulk Pick-ups

Despite the temporary suspension of curbside food scrap collection, participation in food scrap recycling program is extremely high. The drop off site at the Recycling Center at 110 Secor Road is open Monday through Saturday, 8:00 am to 3:00 pm, to accept food scraps.

In response to COVID-19 changes, the Department of Public Works has instituted on-line ordering and contactless pick-up of compostable bags and food scrap bins. Just click on the following link to purchase what you need from the Village:

<https://secure.rec1.com/NY/village-of-scarsdale-ny/catalog>

The last tab on the second row, titled “Composting – Sanitation”, contains the catalog of items being sold.

Your purchased items will be on the table outside of the Recycling Center office by 8:00 am on the day following your purchase. Your name will be on it – please check that you are taking the correct bundle.

While managing with reduced staff, all other materials are being collected following the normal schedule.

We are picking up bulk items, but request that residents hold what they can until the Department returns to normal staffing levels.

If you should have questions, the Sanitation office is closed to visitors but personnel can be reached by phone at 914-722-1294.
