**DURING LESSON:** it is suggested that only the coach will touch the tennis balls. The players will use their rackets to push the tennis balls to the net where the coach will pick up, it is suggested there is no serving which requires contact with tennis balls but if the player and coach are both comfortable you may choose to do so and may choose to wear a glove which is recommended. After play please exit the court as quickly as possible, remember to collect all your belongings and suggest wiping down your racquet, etc. before placing in your vehicle.

**THERE WILL BE ABSOLUTELY NO ON-SITE REGISTRATIONS TAKEN AT THE TENNIS COURTS. PLEASE REGISTER ONLINE OR AT THE RECREATION DEPARTMENT PRIOR TO YOUR LESSON**
