Tropical Storm Isaias: Road Closures Update

As of this morning, ConEd reports that 1,891 Scarsdale customers continue to experience a power outage. There are 94,550 outages in Westchester County.

Staff are coordinating with ConEd to clear road closures and expedite service restoration, though there is much work to be done. The following road closures remain in effect as of this morning:

- Boulevard at Bradley
- Fox Meadow from Ogden to Wayside
- Heathcote from Palmer to Brookby
- Heathcote from Morris to Sherbrooke
- Kelwynne at Birchall
- Mamaroneck at Griffen (partial blockage) – Mamaroneck is otherwise open.
- Murray Hill from Post to Cooper
- Weaver from Stratton to Crossway

Please do not remove caution tape from any location where it has been placed, as the tape is there to protect the public from a known safety hazard, potentially including such dangers as a shock hazard in connection with a live electric wire, an unsafe tree, or other life safety concern.

Report any downed electric wires to the Scarsdale Police Department at 914.722.1200. Do not approach a downed wire, as electrocution may occur without touching the wire. For outage status, please check the [ConEd Outage map](#).

Be sure to note the following safety tips and information:

- Drivers must come to a complete stop at any non-functioning traffic signal.
- Do not remove caution tape, as it warns of a life safety risk.
- Do not approach downed wires.
- [Home Generator Safety](#).
- [Power Outage Safety](#).
