Cannabis Legalization: Join the Conversation

Join the Village Board at 5:00 PM on Tuesday, June 15, to learn about key decisions our community needs to make this year in response to cannabis legalization in New York. The Village's legal counsel, Dan Pozin, of McCarthy Fingar LLP, will present an overview of the new law and highlight local implications requiring community and Village Board consideration.

The [work session](#) is an opportunity for the Village Board and members of our community to learn, ask questions, and present any viewpoints or concerns to help shape our municipal response to the new law.

Ahead of the meeting, we encourage Scarsdale residents to review the educational materials published by the New York State Conference of Mayors, including their [summary](#) of the [Marijuana Regulation and Taxation Act \(MRTA\)](#) and their recorded webinar, [New York's Marijuana Legalization: What Does it Mean for Local Governments?](#)

Other informational resources are also available from the [New York State Office of Cannabis Management](#).

Consistent with our commitments to transparency, public engagement, and governmental excellence, this work session is intended to provide clarity on the issues we must consider, opportunity for our community to express their viewpoints, perspectives, and concerns, and lead to the establishment of strategies supporting advancement of the objectives developed through this collaborative process.

Please join the conversation by participating in the Village Board's cannabis legalization [work session](#) on June 15, 2021, at 5:00 PM.
