Get 'em While They're Hot: Summer Quarterly Parking Permits!

We're offering summer pricing for quarterly parking permits, valid from July 01 through September 30!

Apply today, as we have limited quantities and they are only available on a first-come, first-served basis, with both resident and non-resident permits available.

The highly sought-after Christie Place Garage permits are \$425.00 (residents, only), while Freightway Parking Garage permits are only \$302.50 for residents, and \$440.00 for non-residents.

Permit applications may be accepted by mail or via the drop box marked *Parking Permits*, located at the Village Hall front entrance. Please be advised that having a permit does not guarantee a parking space.

Important Information to Remember:

1. Permits, which are issued *electronically* by license plate number, will be valid from July 01, 2021, through September 30, 2021.
2. All payments are non-refundable and must be remitted by check or money order, payable to the Village of Scarsdale.
3. All permit applicants must supply a copy of their valid driver's license, vehicle registration(s) for up to two cars per permit, and both home and work telephone numbers. Applicants requesting a resident permit must also provide a copy of their most recent utility bill. Employees of Scarsdale Village Center merchants seeking a permit must provide a note from their employer on business stationery, as well as a copy of their most recent paycheck stub.

No person with an [unpaid parking ticket](#) is eligible to apply for or receive a permit until the ticket is [paid in full](#). The [permit application](#) and [terms and conditions](#) are available online.
