### **Scarsdale receives GFOA Award for Financial Reporting!**

We are pleased to share that the Village of Scarsdale has been recognized by the Government Finance Officers Association (GFOA) for excellence in financial reporting for the Fiscal Year 2021 Annual Comprehensive Financial Report!

The report has been judged by an impartial panel against the high standards of the program, which includes demonstrating a constructive spirit of full disclosure. This achievement was made possible by the hard work of Treasurer Ann Scaglione and Deputy Treasurer Maria Colotti, who received individual recognitions from GFOA as well.

The Certificate of Achievement is the highest form of recognition in the areas of governmental accounting and financial reporting. We are excited to receive this award and continue striving for excellence.
