Volunteers Needed: Historic Preservation & Board of Assessment Review

Scarsdale is a special community full of residents who give freely of their time in many arenas, and our local government is no exception. As members of our volunteer Boards and Councils, Scarsdale residents make meaningful positive contributions to our local quality of life.

The Personnel Committee of the Village Board of Trustees is seeking volunteers to serve on either the Committee for Historic Preservation (CHP) or the Board of Assessment Review (BAR), both of which are responsible for rendering decisions on matters brought before them for consideration.

Committee for Historic Preservation (two openings)

Preserving Scarsdale's historic buildings and other architectural and cultural resources is important to the unique fabric and history of the Scarsdale community. If you want to help determine whether buildings are historically important and worthy of preservation, this opportunity may be for you. Visit the [CHP webpage](#) to learn more about this wonderful opportunity. Then, be sure to [apply online!](#)

Board of Assessment Review (multiple openings)

BAR members preside over "Grievance Day" public sessions each year to hear owner claims of inequitable property tax assessments, weighing evidence in the context of applicable rules and procedures, and rendering final assessment determinations, subject only to review by a court of law. If you have knowledge of local property values and are able to lend your expertise to this important effort, visit the [BAR webpage](#) to learn more. Then, be sure to [apply online!](#)

In lieu of submitting your application online, a [printed application](#) may also be delivered to the Village Clerk's Office at Village Hall, 1001 Post Road, Scarsdale, NY 10583. Please contact the Village Clerk, Taylor Emanuel, at 914-722-1175 or via e-mail, temanuel@scarsdale.com, for further information.
