## PRESS RELEASE

For Immediate Release  
Contact: Village Manager  
914.722.1110

May 01, 2023

### Sign-up for Emergency Communications

The Village of Scarsdale strongly encourages all residents to ensure that they are registered to receive emergency and non-emergency communications from the Village. The following are the various methods the Village employs:

#### *Blackboard Connect*

[Blackboard Connect](#) is the system the Village employs to send out emergency notifications via robocalls, email and text messages. Please [sign-up right now](#) and add your landline, cell phone number, and/or email address to be used as emergency contact information. If you have an existing account, we ask that you login and confirm that your contact information and delivery method preference are correct. Please also ensure that your home address is included and correct in the event that information is tailored to particular parts of Scarsdale using the system's geofencing abilities. Encourage your neighbors and friends to sign up ASAP as well.

#### *Notify Me*

[Notify Me](#) is the Village's press release system for non-emergency notifications relating to all municipal matters. [Sign-up here](#). Be sure to select the Press Releases option at the bottom of the page as well as any other topics you may wish to stay informed on. Upon finishing registration, be sure to respond to the confirmation email to finalize your subscription.

If you have any questions about how to sign-up for or utilize these notification platforms, please contact the Village Manager's Office at 914.722.1110.

#### *Twitter*

The Village maintains a Twitter account using the handle [@ScarsdaleGov](#). Messaging distributed through Twitter can be viewed whether you have a Twitter account or not. Take a peek at our [Twitter profile](#) and the information we share. Twitter is great for brief, timely updates, sometimes accompanied by links to more detailed information.

Finally, please continue sharing feedback on how we may improve our outreach to the community by e-mailing the Village Manager's Office at [manager@scarsdale.com](mailto:manager@scarsdale.com).
