July 13, 2023

Licensing Your Dog is Easier than Ever

Did you know that New York State requires that all dogs older than four months be licensed?

Residents with dogs can apply for a [dog license](#) in person or by mail to the Village Clerk's Office, Monday - Friday, 9 AM to 4 PM. Check out [our new video](#), featuring one of Scarsdale's own canine residents, to help guide you through the registration process.

Our [dog brochure](#) also outlines which documents you'll need to include with the application, as well as other helpful tips for dog owners. Once registration is completed, your pup will be given a very stylish bone-shaped silver license tag.

For more information or questions about dog licenses, email clerk@scarsdale.com or call 914.722.1175.
