Upcoming Road Closure: Dine the `Dale Tent Relocation

In preparation for the [Dine the `Dale Tent relocation](#), Boniface Circle, Harwood Court, and Spencer Place will be closed after 11:30 PM on Sunday, September 24. Meter bagging will occur at 8 PM on Sunday evening. Please *do not* park in any space with a bagged meter, as such spaces must be vacant when the roads are closed. Roads are expected to reopen by 3 PM.

Moving the Dine the `Dale Tent to the opposite end of Spencer Place from its current location will allow the Village to pilot a new traffic pattern, consistent with the Village's [Strategic Mobility and Placemaking Plan](#). The tent will remain at this location until early December. If you have any comments or questions about this traffic change, visit [scarsdalemobility.com](https://www.scarsdalemobility.com) and be sure to use the "Share Your Feedback" button.
