Village to Hold Community Conversation on Public Safety and Crime Prevention December 11

Residents are invited to attend a community discussion with the Scarsdale Police Department (SPD), Scarsdale Fire Department (SFD), and Scarsdale Volunteer Ambulance Corp (SVAC) on public safety and crime prevention topics Monday, December 11 at 7PM in Rutherford Hall.

SPD, SFD, and SVAC officials will present information on public safety themes and trends in the village, including crime prevention as well as key safety tips with the holiday season approaching. If you can't make it, don't worry. We'll be sharing additional crime prevention information and safety tips on our website following the meeting. This event is co-hosted by the Arthur Manor Neighborhood Association and the Drake-Edgewood Neighborhood Association, but all residents are welcome.
